

## ***Repeat of Original Conference***

### **FRAC SAND MINING IN WI TOWNS – A ONE-DAY CONFERENCE**

**Thurs, January 12, 2011, 8:00 am to 8:30 a.m. (Registration)**

**Program starts at 8:30 am. & concludes at 3:30 pm**

Conference Registration of **\$25 per person** (before January 5, 2012) includes Continental Breakfast, Lunch and Materials

#### **WHO SHOULD COME:**

- WI Town officers and Town plan commission members, county and state elected officials
- Farmers, town residents, representatives of local organizations, and any other interested persons

#### **CONFERENCE GOALS:**

- •Provide an overview of the industry and how it is developing in Wisconsin
- •Provide training on practical tools that can be successfully used to address local needs
- •Encourage networking and connections among local officials and citizens that are addressing similar issues

#### **TOPICS:**

- Overview of the Frac Sand Industry as it is unfolding in WI
- Implications and Issues for Towns
- Regulatory Structure in WI
- Legal Strategies for Towns and the tools to implement them

#### **IN-DEPTH WORKSHOPS ON:**

- Roads, property values and taxes
- Regulatory and non regulatory tools for Towns, including
  - County or Town Zoning
  - Non-Metallic Mining Ordinances
  - Moratoriums
  - Negotiating Developers Agreements
  - Mistakes Towns Must Avoid

#### **PARTICIPANTS WILL:**

- Get answers to questions, issues and concerns
- Hear from leading experts, including experienced attorneys, geologists, road specialists, town leaders, and others
- Hear and share stories about Towns' direct experience with frac sand mining and processing plants
- Explore which tools are right for your Town
- Take home a "Toolbox" of how-to instructions, models easily adaptable to your Town, and other resources
