2020 Fall Town & Village Workshops

PROGRAM DESCRIPTIONS

Budget Building Basics

Joel Gregozeski, Town of Greenville

Budget Building Basics sets the foundation for how to create a municipal budget in Wisconsin. In this session, you will learn what requirements must be lawfully included, how to create a budget summary for publication, and tips on where to find the numbers that ultimately make it into the budget.

Budget and Levy Adoption Procedures

Atty. Carol Nawrocki, Wisconsin Towns Association

This presentation will cover the requirements for the public hearing on the municipal budget and provide step by step explanations of the different procedures towns and villages may use to exceed their allowable levy limits. Finally, we will review budget adoption and amendment procedures.

Borrowing Basics: Why and How

Jonathan Schatz, Ehlers, Inc. and

Tom German and Richard Sneider, Board of Commissioners of Public Lands

When is borrowing the best strategy, and what options does your town or village have for borrowing? This session will review borrowing procedures, differences between loans and bonding, loan opportunities from local lenders versus the State Trust Fund program, and the levy impacts of borrowing.

Building Your Tax Bill / Tax Collection and Settlements

Tim McCumber, Town of Merrimac

First we'll examine who contributes to your local tax bill and how to calculate mill rates. Next we'll review best practices for tax collection and how to calculate your January settlement.

Transportation Grant Funding: TIPS, TRICKS and TRAPS

Merrill Mechler-Hickson, Patrick Vander Sanden and

Ryan Spaight, WI Department of Transportation

Recent transportation investment efforts have resulted in increased funding for existing and creation of new grant programs. With the increased focus on grants, towns will do well learn more about the tips and traps associated with the Local Road Improvement Program (LRIP) application process, including the process for Town Road Improvement Discretionary (TRID) grants. Tune in for best practice learnings from WisDOT. An update on the recently enhanced LRIPWeb system will also be included in the presentation.

Bidding and Specifications: Getting the Estimate Right

Ben Jordan, WI Transportation Information Center

Learn to produce more accurate road construction cost estimates by defining a complete project scope, identifying major items of work, and using relevant construction cost information.

Municipal Levy Limit Worksheet Reporting

Andrea Newman Wilfong and Valeah Foy, WI Department of Revenue

This session will provide an overview of the law changes impacting levy limits and walk through the 2020 Municipal Levy Limit Worksheet. We strongly recommend accessing your municipality's 2020 Levy Limit Worksheet in your My DOR Government Account (revenue.wi.gov) prior to the session.

Legislative Update

Atty. Joe Ruth, Wisconsin Towns Association

WTA staff will provide an update on recent legislative changes and an explanation of what those changes mean for your town or village. With a focus on the second half of the 2019-20 legislative session, this presentation will help town and village officials remain compliant with state law and leverage statutory changes into cost savings for local taxpayers.

Governing in the Time of COVID-19

Atty. Philip Freeburg, Local Government Education and

Atty. Lara Carlson, Wisconsin Towns Association

Explore issues and strategies challenging town and village officials during the global pandemic. We'll discuss safe and lawful virtual and in-person meeting options, tools available to secure and maintain safe workplaces, planning to address contingencies that may threaten the health, safety and welfare of your community, and more.
