#### **Municipal Record Retention**

#### Learning Objectives

- 1. Review of general statutes governing municipal record retention
- 2. Need for a written record retention schedule
- 3. Available schedule options
- 4. Adoption procedures for the state model
- 5. Notification requirements
- 6. Donation issues

# Who decides when we can dispose of municipal records?

- -Sometimes a state statute will provide information about retention and disposal of a particular type of record (such as election records)
- -No statute gives any one local official blanket authority to dispose of the many other types of municipal records that may accumulate
- -A town or village board may provide by ordinance for the destruction of obsolete public records, s. 19.21(4)(a), Wis. Stat.

### Under such an ordinance, the period of time a record must be kept...

- -Cannot be less than 2 years with respect to water stubs, receipts of current billings and customer's ledgers of any municipal utility, s. 19.21(4)(b)
- -For other types of records, <u>unless a specific period of time is provided by statute</u>, the record must be kept for not less than <u>7 years</u>, unless a shorter time is approved by the Public Records Board, s. 19.21(4)(b)
- -Recordings made for the purpose of taking minutes may not be destroyed sooner than 90 days after the minutes have been approved, s. 19.21(7)

## But... some records should still be kept forever, such as:

- Meeting minutes
- Highway orders and road maintenance records
- Insurance policies
- Assessment rolls with forest crop acreage
- 2013 municipal budget
- "Class B" alcohol license quota information
- Cemetery records with grave locations

And others.....

# And... it may seem cumbersome or unnecessary to keep other records for 7 years, such as:

- Recordings from building security cameras
- Correspondence (paper and electronic)
- Materials submitted by unsuccessful job applicants (such as resumes)

# So... what to do? There are TWO Options:

1. Adopt a locally created record retention schedule via ordinance, *after* getting approval for the proposed schedule from the Wisconsin Public Records Board:

https://publicrecordsboard.wi.gov/Pages/Resources/LocalUnit.aspx

#### --OR--

2. Adopt the Wisconsin Municipal Records
Schedule, which has already been approved by
the Public Records Board, via ordinance

2. Mail the original PRB-002 form (and 2 copies) to the State Historical Society:

State Archivist

Wisconsin Historical Society

816 State St.

Madison, WI 53706

3. Await receipt of a copy of the approved adoption form from the Historical Society

- 4. Adopt an ordinance indicating the municipality will follow the Wisconsin Municipal Records
  Schedule as approved by the Public Records Board
  - Post or publish the ordinance under s. 60.80, Wis. Stat. within 30 days of adoption
  - Sample ordinance is on WTA website > Information Library > Ordinances (last sample on the list): <a href="https://www.wisctowns.com/documents/ordinance-to-adopt-wmrs.pdf">https://www.wisctowns.com/documents/ordinance-to-adopt-wmrs.pdf</a>

#### Prior to Destruction...

At least 60 days' written notice must be given to the Wisconsin Historical Society (WHS), which shall preserve any such records it determines to be of historical interest. WHS may, upon application, waive such notice, s. 19.21(4)(a), Wis. Stat.

**NOTE:** The Wisconsin Municipal Records Schedule includes built-in waivers for many types of records. However, notice is still required before any record that is <u>75 years or older</u> may be destroyed.

#### Donation of Records?

Note that Wisconsin law allows for

mpowering Town Officials

- 1. adoption of an ordinance for the *destruction* of records
- 2. transfer of records to the WHS (when required)
- Municipal records may NOT be donated to a nonprofit group (such as a local museum) or turned over to some other private person or body
- Therefore, if you want to have such an entity display or house records on behalf of the town, we recommend drafting a contract that makes clear that the town retains ownership of the documents
- Note that any records housed off-site remain subject to the public records law
