Representative Jacque Receives Friend of Towns Award

Representative Andre Jacque from the 2nd Assembly District was awarded the 2017-18 Friend of the Towns Award for his efforts on behalf of town interests.

“Representative Jacque’s dedication to town government is exceptional,” said Mike Koles, Executive Director of the Wisconsin Towns Association. “He rarely misses a unit meeting of the towns in the counties he represents, and while attending is superb at engaging with town officials on the difficult issues that they face.”

Friends of town government share a core belief that the best decisions occur in a decentralized system and closest to the people. They understand that local government leadership is the fuel for inventive solutions to public sector challenges and the key to unlocking the power of democracy.

One of Representative Jacque’s achievements during the last legislative session was simplifying ATV route laws for towns. His work on Act 193 saved towns and taxpayers thousands of dollars on signing costs and created a common sense approach for signing ATV routes.”

“Representative Jacque has been a perpetual supporter of making investments in town government and local leadership,” Koles added. “He is extremely deserving of recognition as a Friend of Towns.”
